

## **My “Person”:**

*Lord, fill me with Your compassionate and focused love for \_\_\_\_\_. I thank You again for loving me, dying for my sins while I was still a sinner and sending me many who have journeyed with me on the way. I faithfully commit to pray for and love \_\_\_\_\_ asking You to prepare the ground of their life for Your love to be planted there. Protect us both from the evil one in Jesus name, Amen.*
